Empathy Map Canvas:

Understand the needs, frustrations, and behaviors of people who use i-Movies to discover movies and book tickets online.

Empathy Map

THINKS & FEELS • Wants to find a suitable movie and showtime quickly. • Wants confidence that the selected seats and booking details are correct.	**SEES** • Movie posters, details, ratings, theatres, showtimes, and seat availability. • Different movie and booking options presented in the application.
SAYS & DOES • Searches or browses movies and compares available shows. • Selects a show and seats, then reviews booking details.	**PAINS** • Time spent searching across multiple sources. • Uncertainty when showtime, seat availability, or booking details are unclear.
GAINS • Find a movie and suitable showtime in one place. • Choose available seats and access booking information easily.	

Note: This empathy map is a preliminary, assumption-based profile derived from the purpose of i-Movies; it is not based on formal user interviews or survey results.
